

WALK TO PREVENT SUICIDE

*By walking to remember those lost, we can also raise public awareness about suicide as a preventable form of death. We all have the ability to **Save the One** next to us-at work, on the school bus, at the dinner table. Join us in this statewide effort to help save lives.*

Proceeds will benefit the local community to fund:

**AWARENESS PROGRAMS
SUPPORT GROUPS
EDUCATION**

Both to prevent suicide and to assist those affected by suicide in North Idaho.
